Client Reviews

“I cannot even begin to express how amazing this venue is. Today was my sister’s bridal shower and the fact that I am already writing a review speaks volumes. The venue is absolutely beautiful and the large variety of decor offered is truly incredible. It was an absolute pleasure to work with the owner Jodi and venue manager Brian, who played a huge role in making this event what it is. You will not be disappointed in having your next event here!”

“We had our small wedding celebration at Station House 7 and it couldn't have gone any smoother. The venue is so cute and Jodi really allows you to follow your vision and she helps you put it all together flawlessly! Coming from out of state, Jodi assisted with recommendations for photography, allowed us to use some of her decor, and helped with our timeline and music as well. She really helped to ease the stress, especially when we showed up the day of the wedding to the entire place setup already! Overall we had a wonderful experience here and would recommend Station House 7 to anyone looking to host their event here- you won't be disappointed!!”

Why choose us?

TWO UNIQUE SPACES WITH HAND-SELECTED/HANDMADE FURNISHINGS

Farm tables, gold Chiavari chairs, and vintage credenza adorn the first floor; sixty-inch round tables, gold Chiavari chairs, a gorgeous blue vintage couch and chair, flower cart. Both spaces are beautiful canvases all on their own, but also offers truly unique installations and one-of-a-kind pieces that impress. Like the old vault turned drink station/bar!

DECOR

We boast a large inventory of items that includes just about everything you need, in a variety of styles and colors: complete tablescapes, signage, cardbox, and easels. The list goes on. Check out our decor page to see most of the goods! A separate meeting is scheduled where we create set-ups based on your color and theme. Save time and money by using ours. Plus, you won't have to worry about it after. Chances are, we have the vibe you desire.

PROFESSIONAL SOUND SYSTEM

A mounted DJ-grade system that enhances the already amazing acoustics of our building. Create playlists via Spotify, send over the links and we will start them. No other DJ services, like formalities/timeline execution are included.

VENUE COORDINATOR

A meeting will be arranged for decor selection and venue walkthrough. On your event day, the spaces and decor are set up, room(s) flipped and items taken down at the end of the event. We can also assist in setting up yours. If you are interested in more involved, more hands-on coordinating, upgrades are available.

BRING YOUR OWN ALCOHOL

Buying your own is a huge money-saver! Did you know that you can return unopened spirits to the liquor store? You are **required** to use our bartending partner, Bubbly Bartending for events with **any** alcohol. The assigned bartender will set up, serve, and clean up the bar area. They can also make amazing signature cocktails if known in advance. We highly recommend upgrading to their all-inclusive package where they bring all mixers and ice. Our bar area is also equipped with a small refrigerator and attractive cooler.

OUTSTANDING CATERING OPTIONS

Select from our carefully selected list of talented, diverse, experienced, and compliant catering partners. They know our space well and offer a variety of delicious catering options. Cuisines, services and pricing vary.

Frequently Asked QUESTIONS

Q Do you offer rentals for other event types?

A Yes! Microweddings, parties, photo shoots, wakes, graduation parties and more! Priced individually.

Q I am only having wine, do I still need a bartender?

A Yes, you do. In PA, it is illegal to self-serve in a venue. You are required to use our bartending partner, Bubbly Bartending. They are 100% compliant and go above and beyond!

Q Do we have to use your caterers?

A While it is not required, it is **highly** recommended. They know our space well especially since we do not have a kitchen or prep area, are 100% compliant and offer absolutely delicious food.

Q What kind of decor do you have?

A We have just about everything you would need for your event! Including but not limited to: tablescapes with table runners, artificial greenery, votives, candlesticks, bud vases as well as displayware for your desserts. We even include white crinkled taffeta linens for any round tables. We also put it all on and remove at the end of the event.

Q Are you handicapped-accessible?

A We are a two-floor building and unfortunately we do not have an elevator. However, the first floor is 100% ADA compliant.

Q We already got married and want to have a party. Is it the same cost as a reception?

A Yes. Whether it's the same day or months from when you exchange(d) vows, it is still a reception.

Elopement

Intimate, short, and sweet. This option gives you almost everything that you need with very minimal planning. Your guests arrive and head to the second floor for the ceremony. Afterward, everyone heads downstairs for brief socializing. You just show up, and bring a dessert and/or a light app. We can provide coffee, water, and tea/lemonade.

Even with the short ceremony and photography, there is ample time to do a first dance. We recommend it under the chandelier right after you exchange vows. Everyone is focused solely on you both. Swoon.

Tip: Want an even more personal touch? Get a self-uniting marriage license and have a friend or family marry you versus hiring an officiant.
